STAFF UPDATES

Jodie joined the Family Foster care team in August as a supervising social worker based in Yorkshire.
"Hi my name is Jodie Dolby. I am a qualified social worker & just join family foster care. Prior to this, I have worked for Rotherham Council children's services. During this role, I recognised I really enjoyed working with foster carers, their families and children they cared for/
I am very much excited to be apart of the family foster care team.
As a social worker, I really enjoyed building positive relationships with foster cares, their own families and looked after children. I am very passionate about supporting foster carers to be the best they can be to provide a high quality care to their foster children. I look forward to meeting you!"

We are recruiting!!!

If you know anyone who has the potential to be a Foster Carer and can provide a safe home for a child, then please encourage them to contact us. We still have the £500 referral bonus in place for our Foster Carers once a new family, which you referred, gets their first placement.
